THE VILLAGE OF HILTON NEEDS YOUR INPUT!

Mayor Joe Lee and the Village Board of Trustees are pleased to announce the development of a new comprehensive plan for the Hilton community. The plan, in its beginning stages, has been entitled "Envision Hilton 2030" and will serve as the new guiding document for the future of the Village. The year-long planning process to draft the new plan will be guided by the Comprehensive Plan Steering Committee, and facilitated by MRB Group.

The survey is separated into seven sections and will take approximately 15 minutes to complete. The Village needs input from as many members of the community as possible. The goal is to reach as many residents, business owners, and other stakeholders as possible, in order to create a consensus for Hilton's future. Completed surveys can be dropped off at the Village Community Center, 59 Henry Street.
