Dear Village of Hilton Residents,

The Village Office would like to inform you of an upcoming public meeting and important information regarding the future of your village water service.

A public meeting will be held on Tuesday, March 10, 2026, at 6:00 pm, at the Hilton Community Center Ingham Room at 59 Henry Street to discuss the transfer of the village water system to the Monroe County Water Authority (MCWA). Residents are encouraged to attend to learn more about the transition and to ask questions.

When the transfer proceeds:

- The price of water will continue to be mirrored, meaning the current rates will remain consistent at the time of transition.
- Water service and billing will transition in May from the Village of Hilton to the Monroe County Water Authority.
- Once the Monroe County Water Authority assumes operations, all future payments will be made directly to the Water Authority.
- The Monroe County Water Authority will become responsible for system maintenance and ongoing operations.
- Your final water bill from the Village of Hilton will be sent out at the usual time in May.

Our goal is to ensure residents remain informed so please be sure to check the village website for updates as information becomes available. We appreciate your attention and encourage all residents to participate in the discussion on March 10, 2026. Please call the village office at (585) 392-4144 with any questions.

Sincerely,

A handwritten signature in blue ink that reads "Shari Pearce".
