Friday, June 26th

Friday, September 25th

Yard waste is collected in the village 4 times per year. For ideas on what to do with yard waste beyond these collection dates, please visit <https://www.epa.gov/recycle> to find more information on composting at home.

### 1 IDENTIFY YARD WASTE

Acceptable materials include sod, leaves, small stones, gravel, twigs, hedge trimmings, grass and stumps. Brush will not be collected with yard waste.

### 2 CONTAIN YARD WASTE

Place in a plastic or metal container. NO plastic bags, paper bags or cardboard boxes. No container over 30lbs. Stumps should be placed next to container.

### 3 REMEMBER

Loose materials raked to curb will not be collected. Don't mix brush with yard waste. More than 3 containers is acceptable. No stickers required. Place to curb before 7am for pickup.

\*Brush includes branches over 1 foot long and larger than one inch in diameter that can be put in a chipper.  
**Please do not mix brush with yard waste.**
